

Prime Member Benefits

Institution and individual membership gives each group full access to a wide-range of resources. There are five sections of resources that members will be able to access.

Addressing the Issue of Education Biblically

In this section prime members will have access to a series of video sessions that are designed to assist parents, church leaders and educators in understanding what the Bible says about educating future generations. Each video lesson will have a downloadable listening guide, with discussion questions. Thirty-two 30-minute sessions have already been filmed to be released periodically over the next several months. Several more sessions are in the planning stages.

A Kingdom Perspective

In this section prime members will have access to regularly posted blog articles. These blogs will address topics that are of great importance to parents, church leaders and educators, all from a kingdom perspective. A few of these blogs will also be on the non-member side of the website.

Kingdom Education for the 21st Century

Several years ago, Dr. Schultz filmed a 6-7 hour video training series for Christian school educators. The fourteen sessions in this series will now be online for schools to use. There is a leader's guide and listening guide that can be downloaded for use with this series. The series was approved by ACSI to help teachers fulfill the philosophy requirement for teacher certification (A philosophy checklist can be downloaded). Material in this series is also applicable to the home and church.

Kingdom Insights

In this section prime members will have access to articles and small booklets that are written to strengthen the home, church and school. These resources can be read on line or downloaded in PDF format. Items currently available and future uploads are listed below.

Available now:

- *Home Invasion: Protecting Our Family from Attack*
- *2020 Vision: Preparing Our Children for the Future*
- *Shepherding: A Parent's Responsibility* (a parenting booklet)
- *Fit for Battle: Are Children Prepared to Be Salt and Light?* by Dr. Schultz
- *Biblical Worldview: How to Raise Children to Think Biblically in a Secular World* by Dr. Josh Mulvihill
- *Understanding the Biblical Role of Grandparents* by Dr. Josh Mulvihill
- *Not Far Away (An American's Lament)*, an essay by Christian Overman

Miscellaneous Resources

Prime members will have full access to special presentations by Dr. Schultz in this section. These resources include sermons preached at various churches and other presentations to different groups of people. Many of these presentations will be available in both audio and video formats.
